Graystone Eye: Seeing the Need, Taking Action

Hickory, NC (August 1, 2024) – The dedication and compassion of Graystone Eye employees are at the heart of an expanded supply drive to support multiple local organizations assisting individuals in need. Led by Graystone’s FOCUS group, this initiative highlights the team's commitment to serving others and making a positive impact on the community.

One such beneficiary is Safe Harbor, which provides low-cost, furnished, clean, and safe apartments to women and children seeking structure and support as they work towards independent living. By coming together as a community, we can create a strong supportive presence for those who require assistance with basic needs.

“This collective effort demonstrates our commitment to helping our neighbors and fostering a stronger, more compassionate community,” emphasizes Andrew Tate, CEO of Graystone Eye. “I am incredibly proud of our team for embodying the spirit of servant leadership. Their dedication to our community is truly inspiring.”

Donated items include personal hygiene products, cleaning supplies, household items, and clothing. Collected items will be distributed to the participating organizations in late August.

For more information or to arrange a donation, please contact Graystone Eye at 888.626.2020.

About Graystone Eye

Our highly trained team of fourteen board-certified ophthalmologists and an optometrist includes eight fellowship-trained sub-specialists. Our practice is proudly focused on providing comprehensive eye care services, including cataracts, glaucoma, refractive procedures (iLASIK), corneal disorders, retinal disorders, pediatric vision disorders, oculo-facial plastics (functional and aesthetic services), and optical services. We are honored that so many have entrusted us with their eye care needs.
